

Contents

Portflitt-Toro, M., Serratos, J., Hyrenbach, K. D., & Luna-Jorquera, G. Notes on the breeding population of the Polynesian Storm Petrel <i>Nesofregatta fuliginosa</i> on Motu Motiro Hiva (Salas y Gómez Island), eastern South Pacific	211
Ayala, L., & Sandoval-Lazaro, G. Updating the status of the Peruvian Pelican <i>Pelecanus thagus</i> following avian influenza and El Niño events in Peru	217
Humphries, C. W., Humphries, G. R. W., Robbins, A. M. C., & Fraser, G. S. Bonavista Bay murre hunters in Newfoundland and Labrador propose further interaction with biologists and managers	223
AlRashidi, M. Breeding ecology and incubation behaviours of Little Tern <i>Sternula albifrons</i> in the Sabkhat Al-Fasl Lagoons, Saudi Arabia	235
Garcia-Quintas, A., Denis, D., Barbraud, C., & Lanco, S. Breeding phenology and reproductive success of larid species nesting in Cuba	243
Kennerley, W. L., Clucas, G. V., Lyons, D. E., & Yakola, K. C. What to eat when far from home? A vagrant seabird selects novel but analogous prey	251
Arossa, S., Rabaoui, L. J., Trabalon, F., Darrell-Lambert, D., Hamza, F., Ouni, R., Shobrak, M., Al Qutub, A., & Qurban, M. A. First record of Franklin's Gull <i>Leucophaeus pipixcan</i> in Saudi Arabia	257
Lebarbenchon, C., Toty, C., Boucher, S., Jaeger, A., & Le Corre, M. Molecular screening of avian viruses and parasites in Wedge-tailed Shearwaters <i>Ardena pacifica</i> and Barau's Petrels <i>Pterodroma barau</i> on Réunion Island	261
Santos, L. P. S., Licarião, C., Nascimento, H. L., Krul, R., Kleinsorge, J., Cunha, L. S. T., Serafini, P. P., & Olmos, F. Movements by an adult male Magnificent Frigatebird <i>Fregata magnificens</i> connect protected areas in waters off northeastern South America	265
McQuaid, C. D. Seabird abundance patterns along a Sydney-Los Angeles transect	273
Dehling, D. M. First record of Lesser Frigatebird <i>Fregata ariel</i> from Rapa Nui (Easter Island)	277
Shaughnessy, P. D. Early records of stones (gastroliths) in stomachs of Antarctic penguins	279
Vilina, Y. A., Sabaj, V., Saéz, P., Leiva-Calderón, D., & Cruz-Jofré, F. Differing sex-related arrival of Red Phalaropes <i>Phalaropus fulicarius</i> at wintering grounds in Chile	281
Wallace, J., Yakola, K., Kress, S. W., & Lyons, D. E. Behavioral response of Atlantic Puffins <i>Fratercula arctica</i> to marine heatwaves in the Gulf of Maine, USA: A webcam study	285
Jaques, D. L., Russell, T. M., Liebezeit, J. R., Weinstein, A., Veit, R. R., Orr, D., Parker, M. W., Howard, J. A., Mazurkiewicz, D. M., Anderson, D. W., & Bedolla-Guzman, Y. California Brown Pelican <i>Pelecanus occidentalis</i> community science project: Potential for population monitoring	299
Panagoda, G., Wijethunge, I. K., Zhang, B., Meng, F., Chen, Y., Kotagama, S., Mundkur, T., Balachandran, S., Cao, L., & Seneviratne, S. S. From tropical shores to high-altitude lakes: Preliminary assessment of trans-Himalayan migration of Brown-headed Gulls <i>Chroicocephalus brunnicephalus</i> between Sri Lanka and the Tibetan Plateau	315
Bennett, S., Phillips, R. A., & Green, A. J. Quantifying the effect of time on geolocation accuracy in seabirds	331
Barcelos, L. M. D., Coelho, R., & Barreiros, J. P. First confirmed record of Common Murre <i>Uria aalge</i> for the Mid-Atlantic Azores	337
Iqbal, M., Widayanti, G. A., Aprillia, I., Sari, D. K., & Arifah, N. Status of seabirds in Indonesian waters	341
Barbosa, C. B., Silva, A. M., Leonardi, S. B., Ballabio, T. A., Fluckiger, G., Godoy, D. F., Chupil, H., Castilho, P. V., Groch, K. R., Kolesnikovas, C. K. M., Dick, J. L., Cremer, M. J., Domit, C., Valle, R. R., Marinho, A., Britto, M. K., Gallo, H., & Barreto, A. S. Occurrence, distribution, and mortality of seabirds in south and southeast Brazil, 2015–2019	347
Goldberg, D. W., Delord, K., Bezerra, G., Lorenzo, J. R., Vieira, B. S. F., Saraiva, L. R., Lesage, C., Barbraud, C., Marques, C. A., Neves, T., & Vanstreels, R. E. T. From Kerguelen to Brazil: Insights into the movement and health of a threatened seabird, the White-chinned Petrel <i>Procellaria aequinoctialis</i>	357
Frost, P. G. H., Baker, G. B., Fischer, J. H., & Sagar, P. M. Population survey of Southern Buller's Albatross <i>Thalassarche bulleri bulleri</i> on the Solander Islands / Hautere, March 2024	361
Pandit, R., Damle, O., Gaonkar, A. P. N., Kumar, A., & Dharwadkar, M. Wind-blown pelagic birds: First record of Short-tailed Shearwater <i>Ardena tenuirostris</i> , Wedge-tailed Shearwater <i>Ardena pacifica</i> , White-tailed Tropicbird <i>Phaethon lepturus</i> , and Lesser Noddy <i>Anous tenuirostris</i> for Goa, India	373
Ugarte, M. Status of the Least Storm Petrel <i>Hydrobates microsoma</i> in Peru	379
Bai, M.-L., Huang, C.-H., & Lien, Y.-Y. Seasonal and spatial patterns of avian assemblages in the eastern Taiwan Strait: Implications for offshore wind farm development	383
Niizuma, Y. Relationships between stable isotopes and mercury contaminants in feathers of Black-tailed Gull <i>Larus crassirostris</i>	393
Medina-Vogel, G., Molina-Maldonado, G., Calvo-Mac, C., Delgado-Parada, N., Gómez-Silva, V., Schüttler, E., Santibáñez-Bórquez, B., Rau, J. R., & Cursach, J. A. Assessment of the conservation status of the Fuegian Steamer Duck <i>Tachyeres pteneres</i> in Chile	401
Marino, G., Oquiongo, G., Hahn, I. L., Pereira, P., Pereira, J., & de Lima, R. F. Evidence of Red-billed Tropicbird <i>Phaethon aethereus</i> breeding in the Gulf of Guinea	409
